Take Good Care of Yourself and Beat Those Winter Blues!

by Kim Amboy

It seems lately I’ve been talking to the person staring back at me in the mirror. “Who is that old lady?” I ask, or sometimes I greet her with, “Hello Mother.” That poor girl is in serious need of an overhaul! And it makes total sense, because Old Man Winter does a number on everybody. Cold winds outside and dry heat inside coupled with lack of exercise are all tough on waistlines, skin and hair. However, on a positive note, a little seasonal care can help. Here’s some self-care tips that’ll truly make a difference.

Visit a Local Med Spa

Get your “Posh on” by visiting a local Med Spa. This blend of traditional day spa and medical clinic is overseen by licensed medical professionals. **Deedee Karanian, owner of Posh Med Spa & Wellness Center in Powhatan** and her highly credentialed and experienced team are devoted to helping clients look and feel their best. They offer a multitude of innovative treatments that include customized facials, Microneedling to correct aging and acne scar-

ring on the face, back and chest. Also available are nutritional IV hydration infusions, vitamin injections, and customized diet and exercise plans that aid with weight management and overall well-being. And that’s just the tip of the iceberg! Visit their website for a full list of services offered. >>>

Stay Active

With shorter days, it's often easier to put fitness on the back burner. Yet this is one of the most important times to stay active. Sadly, wintertime gloom leaves many people feeling down, but exercise helps boost natural mood filters which fight off the "winter blues" and boost immunity. These are all great reasons to join a gym or enjoy regular walks/jogs around your neighborhood. Get creative and keep moving!

Eat Well

Fact: This is the season of comfort food and cozy gatherings. Unfortunately, all that feasting tends to put a kibosh on healthy eating habits, so beware! Bad nutrition leaves us more vulnerable to colds and flu. That's why eating well in winter isn't just about satisfying cravings—it's about providing your body the nutrition

it needs to stay healthy. So have fun but be mindful of what's on your plate. Think healthy ingredients and smaller portions. **Saladworks on Hull Street in Midlothian** offers fresh food and ingredients that allows customers to build an original meal customized to their tastes and dietary needs with over sixty ingredients to choose from.

With all that said, I'll still talk to my reflection even after all that self-care. But maybe the conversation will sound like this: "Hey, Gorgeous, you're looking pretty good these days!" Or "Hello, have you seen Mom?" Hey, don't laugh! A girl can dream, can't she?

Imagine your home, totally organized!

Southern Sweet Potato Casserole and Baked Cranberry Sauce

Everyone has their favorite sweet potato casserole and so do I. However, Great Grandma Rawls always served hers in a cored orange half with a whole pecan on top. I prefer them crushed, but the orange presentation is stunning. Add your own twist to delight friends and family. *Cindy*

Southern Sweet Potato Casserole

INGREDIENTS:

Sweet Potatoes:

- 3 cups sweet potatoes, cooked and mashed
- 3/4 cup sugar
- 1/3 cup butter, melted
- 2 eggs
- 1 tsp vanilla
- 1 tsp cinnamon
- 1/2 tsp nutmeg
- 6 to 8 oranges, cut in half and cored
- 1/2 cup orange juice, freshly squeezed
- 1/4 cup heavy cream

Topping:

- 3 tbsp butter, melted
- 1 cup brown sugar
- 1/3 cup flour
- 1 cup chopped pecans

DIRECTIONS:

Preheat oven to 325 F. Mix sweet potatoes, sugar, spices, butter, eggs, vanilla, and orange juice. Beat with an electric mixer until smooth. Add heavy cream and mix well.

Mix the remaining butter, brown sugar, flour, and nuts. Put the sweet potato mixture into the cored halves of the oranges and top with the nut mixture. Bake for 25 to 30 minutes.

I have been making this cranberry sauce for over 30 years and have even been asked if I would be willing to sell it. That's how different and delicious it is. I hope you enjoy this unique take on a classic dish.

Baked Cranberry Sauce

INGREDIENTS:

- 4 cups fresh cranberries
- 2 cups sugar
- 1/2 tsp ground cinnamon
- 1 13 oz jar orange marmalade
- 3 tbsp lemon juice
- 1 cup coarsely chopped walnuts, toasted

DIRECTIONS:

Preheat oven to 350 F. Wash and drain cranberries and place in a large bowl. Add sugar, cinnamon, marmalade, lemon juice, and walnuts to bowl with cranberries and mix well. Spoon into a 9-inch square pan and cover with foil. Bake for 45 minutes. Refrigerate and serve cold.
