Smallwood Renovations – A Good Neighbor to Local Homeowners

by Steve Cook

What's the number one thing you would like our readers to know about you or your company? That's the question I put to **Keith Smallwood**, owner of **Smallwood Renovations**, headquartered in Ashland.

"We are a good neighbor," he replied. Good answer! When it comes to investing in home renovations, such as decks, porches, or replacement windows and doors, we all want talented professionals who use quality materials, but it's even better if the work is

done by a good neighbor... someone whom you not only trust but perhaps even really like.

Keith explains that being a good neighbor means acquiring and demonstrating key core values, which he lists as honesty, integrity, humility, responsibility, accountability, attention to detail, a commitment to learning, and loving your neighbor as yourself.

Growing up in Bridgewater, Virginia with a father who was committed to meticulously paying attention to detail as a master craftsman certainly gave Keith a good start. Perhaps the time spent working in a Greek restaurant in Northern Virginia, where he had moved to attend George Mason University, helped him to hone such qualities. After all, in those four years, he went from dishwasher to the restaurant's GM.

When he felt it was time to move on, he chose another career, home renovations, not because it was, at that time, a specific passion, but because he appreciated the character and the work ethic of some young men who were customers in the restaurant. It was only after asking them if they might be hiring that he learned the business that they were in, a business that would shape his future. >>>

««« His future was also shaped by something else he discovered at the restaurant. And that was the boss's daughter. Shortly after changing careers in 1995, he and Lisa were married. interview and background check, he says, "We don't have a single member of our crew that I don't love." His management team, alone, has well over a hundred years' experience in the industry.

So, if you live in Central Virginia and are contemplating investing in a new deck, porch, or replacement windows and doors, make the decision to let a good, trusted neighbor professionally help you beautify your home. To learn more visit online: SmallwoodRenovations.com. Or phone **804-373-7753**.

Over the past three decades, Keith has learned and honed both management and construction skills as he first ran his own business here and then worked for a friend for a period of time.

However, as 2013 was coming to a close, Keith says he told Lisa, "Let's try this again." Referring to operating their own business, on January 1, 2014, they opened Smallwood Renovations. He says that all of the children have worked for or helped out with this family-run business. And as for his employees, all of whom go through an extensive in-

Our Guide to the Happiest Happy Hours

by Steve Cook

The concept of the Happy Hour was begun by the U.S. Navy in the early 20th century to provide morale-boosting entertainment to break the monotony at sea. Following the repeal of Prohibition in the early 30s, the concept merged with the cocktail hour and by the late 40s, bars began to entice customers to come in for discounted drinks after work. In 2019, the Virginia ABC authority made it legal for restaurant operators to advertise their Happy Hours. Here are some of our favorites in or near Glen Allen.

RECIPE

From the Pantry

VEGETARIAN CHILI

What's better than a steaming bowl of chili to warm up on a chilly winter evening? This particular vegetarian chili recipe has been in Suzanne's family for over 35 years. It all started on one of the very first dates she had with her now husband, Elliott. He was not too sure about vegetarian chili, but would do anything for a date with Suzanne. They enjoyed a bowl at Grace Place in downtown Richmond and after its closing, she was on a quest to find her own recipe. We hope you enjoy at as much as they have over the years! *Cindy*

INGREDIENTS:

- 2 28 oz cans whole tomatoes in tomato juice
- 1 or 2 onions (sweet or Vidalia), diced
- 1 green bell pepper, diced
- 1 red bell pepper, diced
- 1 yellow or orange pepper, diced
- 2-3 cloves garlic, minced
- 4 large carrots, grated
- ½ can cashews
- ½ cup raisins
- 1 tbsp honey
- 1-2 tbsp chili powder
- 1-2 tbsp cumin
- 1 tbsp basil leaves
- 1 can pinto beans, drained
- 1 can black beans, drained
- 1 can kidney beans, drained
- 1 tbsp olive oil
- Cheddar cheese, grated, for garnish
- Sour cream, for garnish

DIRECTIONS:

Sauté onions, peppers, carrots, and garlic in olive oil. Add chili powder, cumin, and basil, then canned tomatoes. Heat, then add drained beans. Stir in cashews, raisins, and honey. Simmer 15-25 minutes until raisins puff up. Serve with grated cheddar and sour cream.
