Smallwood Renovations – A Good Neighbor to Local Homeowners

by Steve Cook

What's the number one thing you would like our readers to know about you or your company? That's the question I put to **Keith Smallwood**, owner of **Smallwood Renovations**, headquartered in Ashland.

"We are a good neighbor," he replied. Good answer! When it comes to investing in home renovations, such as decks, porches, or replacement windows and doors, we all want talented professionals who use quality materials, but it's even better if the work is

done by a good neighbor... someone whom you not only trust but perhaps even really like.

Keith explains that being a good neighbor means acquiring and demonstrating key core values, which he lists as honesty, integrity, humility, responsibility, accountability, attention to detail, a commitment to learning, and loving your neighbor as yourself.

Growing up in Bridgewater, Virginia with a father who was committed to meticulously paying attention to detail as a master craftsman certainly gave Keith a good start. Perhaps the time spent working in a Greek restaurant in Northern Virginia, where he had moved to attend George Mason University, helped him to hone such qualities. After all, in those four years, he went from dishwasher to the restaurant's GM.

When he felt it was time to move on, he chose another career, home renovations, not because it was, at that time, a specific passion, but because he appreciated the character and the work ethic of some young men who were customers in the restaurant. It was only after asking them if they might be hiring that he learned the business that they were in, a business that would shape his future. >>>

His future was also shaped by something else he discovered at the restaurant. And that was the boss's daughter. Shortly after changing careers in 1995, he and Lisa were married. The couple moved to Hanover in 1996. It is here that they have raised their six children, three boys and three girls, ranging in age from a 27 year-old son to a 16 year-old daughter.

Over the past three decades, Keith has learned and honed both management and construction skills as he first ran his own business here and then worked for a friend for a period of time.

However, as 2013 was coming to a close, Keith says he told Lisa, "Let's try this again." Referring to operating their own business, on January 1, 2014, they opened Smallwood Renovations. He says that all of the children have worked for or helped out with this family-run business. And as for his employees, all of whom go through an extensive in-

terview and background check, he says, "We don't have a single member of our crew that I don't love." His management team, alone, has well over a hundred years' experience in the industry. So, if you live in Central Virginia and are contemplating investing in a new deck, porch, or replacement windows and doors, make the decision to let a good, trusted neighbor professionally help you beautify your home. CRISPY POTATO CHIPS

Potatoes in any form are the ultimate side dish, but these homemade potato chips are salty, crunchy, and just hit the spot. We made ours with the basics: salt, pepper and olive oil, but they are easy to customize. Old Bay seasoning, fresh rosemary, or smoked paprika are some great additions. These are perfect for a quick and easy side dish all year long. *Cindy*

INGREDIENTS:

- 4 russet potatoes
- Olive oil
- Salt and pepper

DIRECTIONS:

Preheat oven to 400 degrees (you can also easily make these in an air fryer or toaster oven). Slice the potatoes to your desired thickness. Cover both sides of each chip with olive oil and your desired seasonings. Place them on a sheet pan without overlapping. Bake for 10-15 minutes, flipping halfway through. Enjoy while hot and fresh and with your favorite dipping sauce.
