Smallwood Renovations – A Good Neighbor to Local Homeowners

by Steve Cook

What's the number one thing you would like our readers to know about you or your company? That's the question I put to **Keith Smallwood**, owner of **Smallwood Renovations**, headquartered in Ashland.

"We are a good neighbor," he replied. Good answer! When it comes to investing in home renovations, such as decks, porches, or replacement windows and doors, we all want talented professionals who use quality materials, but it's even better if the work is

done by a good neighbor... someone whom you not only trust but perhaps even really like.

Keith explains that being a good neighbor means acquiring and demonstrating key core values, which he lists as honesty, integrity, humility, responsibility, accountability, attention to detail, a commitment to learning, and loving your neighbor as yourself.

Growing up in Bridgewater, Virginia with a father who was committed to meticulously paying attention to detail as a master craftsman certainly gave Keith a good start. Perhaps the time spent working in a Greek restaurant in Northern Virginia, where he had moved to attend George Mason University, helped him to hone such qualities. After all, in those four years, he went from dishwasher to the restaurant's GM.

When he felt it was time to move on, he chose another career, home renovations, not because it was, at that time, a specific passion, but because he appreciated the character and the work ethic of some young men who were customers in the restaurant. It was only after asking them if they might be hiring that he learned the business that they were in, a business that would shape his future. >>>

« His future was also shaped by something else he discovered at the restaurant. And that was the boss's daughter. Shortly after changing careers in 1995, he and Lisa were married. The couple moved to Hanover in 1996. It is here that they have raised their six children, three boys and three girls, ranging in age from a 27 year-old son to a 16 year-old daughter.

interview and background check, he says, "We don't have a single member of our crew that I don't love." His management team, alone, has well over a hundred years' experience in the industry.

So, if you live in Central Virginia and are contemplating investing in a new deck, porch, or replacement windows and doors, make the decision to let a good, trusted neighbor professionally help you beautify your home. To learn more visit online: SmallwoodRenovations.com. Or phone **804-373-7753**.

Over the past three decades, Keith has learned and honed both management and construction skills as he first ran his own business here and then worked for a friend for a period of time.

However, as 2013 was coming to a close, Keith says he told Lisa, "Let's try this again." Referring to operating their own business, on January 1, 2014, they opened Smallwood Renovations. He says that all of the children have worked for or helped out with this family-run business. And as for his employees, all of whom go through an extensive in-

CREATING YOUR OWN BACKYARD OASIS

by Steve Cook

If a man's (or woman's) home is their castle, then what does that make the backyard? Certainly, if one's home offers sanctuary, privacy, and a place of enjoyment, one should be able to take those personal pleasures to the outdoors.

Imagine your backyard as a beautiful extension of your personal sanctuary. You can start small and let that oasis develop progressively. Make a list. Perhaps outdoor furniture would be at the top of that list. Now, imagine the enjoyment you'll be sharing when you invite your friends to an event on the patio. This oasis can provide a perfect retreat in warm weather, and such additions as a firepit or an outdoor fireplace will allow you to enjoy your backyard virtually year round.

Flipping burgers on the grill may be your ultimate idea of a backyard feast. However, maybe you desire to up your game by incorporating a full outdoor kitchen into your ultimate oasis.

Throw in landscaping, lighting, pavers, and more – and voila! Your backyard becomes your personal oasis. Consider these options.

HAVE A SEAT

Mixing and matching your outdoor furniture is a fun, creative way to show off your tastes. Diversity may be at the top of your list, but consistency in color and/or texture serves to create a cohesive look.

FEEL THE WARMTH

Having an outdoor heater allows you to make the most of your patio throughout the year. Whether you choose a propane, electric, or natural gas heater, you will want to consider not only your personal preferences but what will work best in the space you will be using.

NOW WE'RE COOKING

As you plan your outdoor kitchen, consider your space, functionality, and personal lifestyle. Is a hotdog with a bun your perfect outdoor dining preference or are you a true foodie who wants to display your gourmet prowess? There are virtually limitless options but consider carefully just how you intend to use the space. Gas, electric, charcoal, infrared, and teppanyaki grills along with smokers, pizza ovens, and burners support the creativity of any chef – amateur or pro.

LET THEIR BE LIGHT

Let your oasis sparkle with creative and functional lighting. Illuminate your trees, shrubbery, and flowers with landscape lighting. Your guests will be aglow with excitement when your outdoor lighting comes to life as the sun sinks slowly in the west.

For even more ideas on how to enjoy your personal backyard oasis, visit our website MidlothianSouthMonthly.com.

CRISPY POTATO CHIPS

Potatoes in any form are the ultimate side dish, but these homemade potato chips are salty, crunchy, and just hit the spot. We made ours with the basics: salt, pepper and olive oil, but they are easy to customize. Old Bay seasoning, fresh rosemary, or smoked paprika are some great additions. These are perfect for a quick and easy side dish all year long. *Cindy*

INGREDIENTS:

- 4 russet potatoes
- Olive oil
- Salt and pepper

DIRECTIONS:

Preheat oven to 400 degrees (you can also easily make these in an air fryer or toaster oven). Slice the potatoes to your desired thickness. Cover both sides of each chip with olive oil and your desired seasonings. Place them on a sheet pan without overlapping. Bake for 10-15 minutes, flipping halfway through. Enjoy while hot and fresh and with your favorite dipping sauce.
