## TAKE ME OUT TO THE BALL GAME

by Taylor Armstrong

If you grew up in or around Richmond, you probably have fond memories of visiting the Diamond, eating cotton candy, and enjoying not only a baseball game, but fireworks. The Diamond is no longer in use, but CarMax Park, the new state-of-the-art ballpark located at 2929 N Arthur Ashe Blvd, is now officially the home of the Richmond Flying Squirrels. It is part of the Diamond District, which will eventually include apartments, hotels, stores, restaurants, and a public green space.

CarMax Park is a family friendly ballpark and through their partnership with Bon Secours, their official healthcare partner, they are able to provide multiple spaces for families and those with young children. At the Bon Secours Base Camp & Lawn, families will enjoy a playground with structures for ages ranging from 2 to 12. The Lawn is a beautifully terraced turf

seating area close to the playground where you can still see the game. The Bon Secours Nursing Nest, a private space for nursing mothers and caregivers, is also available.

There are twenty luxury suites at CarMax Park, perfect for entertaining families, clients, employees, or for use for a celebration. It is a year-round venue, with multiple climate-controlled spaces and the ability to host concerts, festivals, and private events. One of the most popular suites, the Atlantic Union Bank Lounge, comes with an all-you-can-eat buffet, a private bartender, and spectacular views of the ballpark.

There are multiple seating options, at differing price points, including The Lawn (no seats, but perfect for lounging with a blanket), the Woodfin Yard Club (Adirondack chairs with prime views), the Bullpen Rails, classic ballpark seating, and much more. The Patio, a multi-terraced beer garden in left field, is open to all ticket holders and is even next to the visiting team's bullpen.

With a wide variety of exciting concessions offerings, spectators can choose from BBQ plates, specialty burgers, hot chicken, burritos, and much more. They also have a couple of quick grab-and-go options, including the 804 Market. Drinks will continue to include delicious local craft beer, as well as wine, seltzers, cocktails, and Pepsi products.

CarMax Park certainly has something for everybody. We are excited to see all that it has to offer and can't wait to see the Flying Squirrels, NutZy, and Nutasha this summer.

# CREATING YOUR OWN BACKYARD OASIS

by Steve Cook

If a man's (or woman's) home is their castle, then what does that make the backyard? Certainly, if one's home offers sanctuary, privacy, and a place of enjoyment, one should be able to take those personal pleasures to the outdoors.

Imagine your backyard as a beautiful extension of your personal sanctuary. You can start small and let that oasis develop progressively. Make a list. Perhaps outdoor furniture would be at the top of that list. Now, imagine the enjoyment you'll be sharing when you invite your friends to an event on the patio. This oasis can provide a perfect retreat in warm weather, and such additions as a firepit or an outdoor fireplace will allow you to enjoy your backyard virtually year round.

Flipping burgers on the grill may be your ultimate idea of a backyard feast. However, maybe you desire to up your game by incorporating a full outdoor kitchen into your ultimate oasis.

Throw in landscaping, lighting, pavers, and more – and voila! Your backyard becomes your personal oasis. Consider these options.

## HAVE A SEAT

Mixing and matching your outdoor furniture is a fun, creative way to show off your tastes. Diversity may be at the top of your list, but consistency in color and/or texture serves to create a cohesive look.

## FEEL THE WARMTH

Having an outdoor heater allows you to make the most of your patio throughout the year. Whether you choose a propane, electric, or natural gas heater, you will want to consider not only your personal preferences but what will work best in the space you will be using.

## NOW WE'RE COOKING

As you plan your outdoor kitchen, consider your space, functionality, and personal lifestyle. Is a hotdog with a bun your perfect outdoor dining preference or are you a true foodie who wants to display your gourmet prowess? There are virtually limitless options but consider carefully just how you intend to use the space. Gas, electric, charcoal, infrared, and teppanyaki grills along with smokers, pizza ovens, and burners support the creativity of any chef – amateur or pro.

## LET THEIR BE LIGHT

Let your oasis sparkle with creative and functional lighting. Illuminate your trees, shrubbery, and flowers with landscape lighting. Your guests will be aglow with excitement when your outdoor lighting comes to life as the sun sinks slowly in the west.

For even more ideas on how to enjoy your personal backyard oasis, visit our website [GlenAllenMonthly.com](http://GlenAllenMonthly.com).
