Transform Your Old Cabinets Into a Thing of Beauty the Miracle Method Way

by Steve Cook

Refinish. Don't replace. For nearly two decades the folks at **Miracle Method Surface Refinishing of Richmond** have been touting the benefits of refinishing bathrooms and kitchens throughout Central Virginia. Their professional staff has been proving to satisfied homeowners that refinishing saves both time and money. Plus, the results of their superior process are absolutely beautiful.

But did you know that the same company that has beautifully transformed tubs, showers, and countertops can also refinish your cabinets as well? "We've been refinishing cabinets for ten plus years," says Elizabeth Dowdy, co-owner of Miracle Method of Richmond. But in order to create more visibility, Miracle Method has just launched an exclusive cabinet website - CabinetsByMiracleMethod.com.

Now, you may be thinking that you know of a local painter who will come by and give your old cabinets a new paint job. However, rest assured, we are not talking about just splashing some new paint on your cabinets. "We strip, prep, repair, and apply multiple layers of professional-grade coating directly to your existing cabinets. The result is a smooth, factory-quality finish that can make cabinets that are decades old look completely brand new," says Elizabeth, who adds, "And for a more dramatic upgrade, doors and drawers can be replaced with a new, modern-style design... So many options!"

Miracle Method Surface Refinishing has been offering miraculous makeovers for nearly five decades, with the locally owned office here in Richmond for 17 years. >>>

With their cabinet makeover solutions you can transform your kitchen in just a few days. You're not just saving time. You're saving money, as well. Their expert process can save you up to 70% compared to what you'd spend to have a full cabinet replacement.

Their factory-grade finishes are designed for durability and their work is backed by their years of expertise. Typical DIY paint jobs will soon chip and fade. That's not the case when Miracle Method refinishes your cabinets. They'll look beautiful for many years to come.

Another huge advantage of having Miracle Method refinish your tubs, showers, countertops, and cabinets is that there's no unsightly, inconvenient demolition. Your fixtures stay in place while Miracle Method's expert team magically transforms your kitchen or bathroom into a new beautiful space. "Our technicians take pride in their work and it truly shows," Elizabeth says.

Check out the beautiful before-and-after images on their new website. Or visit their showroom from 9 a.m. to 5 p.m. Monday through Friday (or by appointment) to see results first hand. They're located at 2410 Granite Ridge Road in Rockville, just five minutes west of Short Pump.

Miracle Method is perfect for residential as well as commercial. "We're a natural resource for local colleges and universities, including VCU, UR, Randolph-Macon, Hampden-Sydney and VSU plus hotels, such as Hyatt, Hilton, and Marriott," Elizabeth says.

To learn more, visit online CabinetsByMiracleMethod.com. or phone 1-804-749-8990. Be sure to ask about their free estimates and design services.

What Are You Doing for the Semiquincentennial?

by Steve Cook

Are you getting excited about the semiquincentennial? Even if you don't know how to pronounce it, you may know that's just a fancy way of saying it's the 250th anniversary of something. And in this case, that something is the United States, itself. How many folks or businesses do you know that ever celebrate their semiquincentennial? That's what makes this such a big deal and, obviously, no one is likely to be celebrating this one more than Virginians. Here are some of the ways you can join in.

The Event: George Washington: A Revolutionary Life

Location: Mount Vernon **Dates:** Throughout the summer

Event Details: In this immersive experience, you become a fly on the wall during important conversations as our nation was founded. As you listen to these scenes play out, learn about the challenges and experiences Washington faced throughout the presidency. Please note the exhibit officially opens in July, but visit MountVernon.org to learn how you might gain access to early previews. This exhibit is just part of what Mount Vernon has in store this summer. Again, visit the website for more details.

The Event: SAIL250®

The Location: Norfolk Harbor **The Dates:** June 12 through 23

Event Details: "Norfolk played a key role in the birth of our nation," says Kenneth Cooper "Kenny" Alexander, mayor of Norfolk. "Those who came to the new world, came by ship. We've played a key role in tall ships coming to America."

Beginning Tuesday morning, June 16, the tall ship fleet begins to arrive at Lynnhaven Anchorage on the Chesapeake Bay for this 12-day international maritime festival, which will bring more than 60 tall ships and military vessels representing 30 countries to Norfolk. The spectacular 26-nautical-mile Parade of Sail begins on Friday morning (June 19). Fifteen public viewing sites along the route will give spectators unprecedented access to this maritime spectacle. The US Navy's famed Blue Angels will conduct a flyover during the 4.5-hour Parade of Sail. For more details, visit Sail250Virginia.com.

The Event: America. Made In Virginia: 250 Years Together

The Date: July 4.

The Location: Colonial Williamsburg

Event Details: Come to think of it, America really was made in Virginia. This celebration includes live music, historical performances, and a drone/fireworks show, focusing on the past, present, and future of the United States.

This event also includes a live two-hour special, America. Made In Virginia: 250 Years Together, which will be broadcast by PBS on television and streaming platforms.

Other noteworthy events planned for the upcoming months include:

Freedom Flows on the Potomac: Celebrating 250 Years of the Virginia Declaration of Rights - June 12 - 14

Juneteenth - June 19

African Landing Day Commemoration - August 22

For more details on these and other upcoming events honoring the nation's 250th, visit VA250.org. Additionally, the Virginia Museum of History & Culture, at 428 N. Arthur Ashe Blvd. has a variety of events planned. Learn more about these at VirginiaHistory.org.

Think about it, if you don't make it this year, who knows what you'll be doing when the quincentennial rolls around.

★★★★★

My granddaughter loved her trial class at **KidStrong** and I signed her up before the end of class. The coaches were **kind, accessible, encouraging,** and very good with positive instruction to the children. I enjoyed being able to watch her from the "grownups" area and seeing her confidence go through the roof throughout the class. The facility has a **bright, clean, and positive** feel.

★★★★★

I was skeptical about a membership, but **after my son's first class I was sure this was a great idea.** The kids have such a **sense of pride** figuring things out from the mental to the physical challenges, **the coaches are so involved,** and as a parent it was awesome **helping my kiddo overcome challenges.**
