tastebudz

with Steve Cook

Oldies but Goodies

I want to start this issue of Taste-Budz with a congratulations and a personal thank you to Anne and Jim Hardwick, who for decades have been serving up some of the tastiest comfort food in the region in their popular **Tanglewood Ordinary** restaurant located at 2210 River Road West in Maidens.

In May, The Hardwicks, staff members, and diners celebrated Tanglewood's 40th anniversary of serving up "Grandmother's Sunday Dinner" in this quaint, historic Goochland restaurant.

I include a personal thank you for all the fantastic fried chicken and mashed potatoes that I've consumed over the past four decades. Sure, I had to let the waistline on my pants out several times, but it's all been worth it. I continue to enjoy the Sunday dinner concept, which makes Tanglewood such a fun, family-like gathering place.

For the uninitiated, diners at Tanglewood, which first opened in 1928 as a service station, feast

on bowls and platters filled with Southern comfort food such as fried chicken, ham, mac and cheese, mashed potatoes, black-eyed peas, and coleslaw, plus biscuits and cornbread and, of course, plenty of iced tea.

Anne Hardwick says that much of the success has to do with the welcoming, family-like atmosphere enjoyed by both the staff and guests. "We are on our fourth generation of guests," she adds. Come to think of it, everyone in my family from my mother to my wife, daughter, and grandkids have enjoyed dining there. If you haven't made it a tradition in your family, now might be a good time to start. Don't wait another 40 years. >>>

While I'm passing out congratulations, let me send some out to Tracy Cifers, who owns and operates **The County Seat Restaurant and Gathering Place** in the heart of the Village of Powhatan (3883 Old Buckingham Road). Tracy has recently written a beautiful song that pays homage to her family and to the history of this venerable Powhatan dining spot.

The song, entitled "Echoes of The County Seat" is featured on the restaurant's Facebook page and is accompanied by a slideshow featuring family members and other longtime employees and friends of the place.

Tracy took over ownership of The County Seat following the death of her mother, Janie Dean, in 2022. Mrs. Dean began operating the restaurant more than 30 years ago. Her mother, Mattie Clayton, was famous for baking the delicious cobblers that came out of the kitchen along with all the other delectable desserts in those early days. By the way, The County Seat continues to offer some of the best pies and pastries in the county.

Anyone who knows Tracy knows what an avid supporter she is of live, local musicians. There's a performance by various local entertainers every weekend. But who knew that Tracy had such talent. I was actually quite impressed.

On one more musical note, Tracy tells me that one of the restaurant's dishwashers, Sean Conner, is also a musician and she's planning on having him provide some entertainment in the near future, perhaps during the midweek. Visit www.countyseat.com for the most up-to-date information on their line-up.

What Are You Doing for the Semiquincentennial?

by Steve Cook

Are you getting excited about the semiquincentennial? Even if you don't know how to pronounce it, you may know that's just a fancy way of saying it's the 250th anniversary of something. And in this case, that something is the United States, itself. How many folks or businesses do you know that ever celebrate their semiquincentennial? That's what makes this such a big deal and, obviously, no one is likely to be celebrating this one more than Virginians. Here are some of the ways you can join in.

The Event: George Washington: A Revolutionary Life

Location: Mount Vernon **Dates:** Throughout the summer

Event Details: In this immersive experience, you become a fly on the wall during important conversations as our nation was founded. As you listen to these scenes play out, learn about the challenges and experiences Washington faced throughout the presidency. Please note the exhibit officially opens in July, but visit MountVernon.org to learn how you might gain access to early previews. This exhibit is just part of what Mount Vernon has in store this summer. Again, visit the website for more details.

The Event: SAIL250®

The Location: Norfolk Harbor **The Dates:** June 12 through 23

Event Details: "Norfolk played a key role in the birth of our nation," says Kenneth Cooper "Kenny" Alexander, mayor of Norfolk. "Those who came to the new world, came by ship. We've played a key role in tall ships coming to America."

Beginning Tuesday morning, June 16, the tall ship fleet begins to arrive at Lynnhaven Anchorage on the Chesapeake Bay for this 12-day international maritime festival, which will bring more than 60 tall ships and military vessels representing 30 countries to Norfolk. The spectacular 26-nautical-mile Parade of Sail begins on Friday morning (June 19). Fifteen public viewing sites along the route will give spectators unprecedented access to this maritime spectacle. The US Navy's famed Blue Angels will conduct a flyover during the 4.5-hour Parade of Sail. For more details, visit Sail250Virginia.com.

The Event: America. Made In Virginia: 250 Years Together

The Date: July 4.

The Location: Colonial Williamsburg

Event Details: Come to think of it, America really was made in Virginia. This celebration includes live music, historical performances, and a drone/fireworks show, focusing on the past, present, and future of the United States.

This event also includes a live two-hour special, America. Made In Virginia: 250 Years Together, which will be broadcast by PBS on television and streaming platforms.

Other noteworthy events planned for the upcoming months include:

Freedom Flows on the Potomac: Celebrating 250 Years of the Virginia Declaration of Rights - June 12 - 14

Juneteenth - June 19

African Landing Day Commemoration - August 22

For more details on these and other upcoming events honoring the nation's 250th, visit VA250.org. Additionally, the Virginia Museum of History & Culture, at 428 N. Arthur Ashe Blvd. has a variety of events planned. Learn more about these at VirginiaHistory.org.

Think about it, if you don't make it this year, who knows what you'll be doing when the quincentennial rolls around.

You've Done Everything Right. Now What?
You worked hard. You saved consistently. You avoided over spending. You built a net worth most people only hope to achieve.
Now you're asking different questions.
How do we avoid overpaying taxes from the accounts we've built?
How much can we confidently spend while we're healthy and active?
What happens to this money when we're gone?
And what if one of us gets sick or hurt?

Many successful professionals — engineers, software developers, and corporate leaders — come to us after realizing their previous advisor focused primarily on investments, not on coordinated retirement planning. They don't want more performance reports. They want clarity.

At Keystone Wealth Management, we specialize in turning years of disciplined saving into a tax-efficient income strategy. We help you design sustainable withdrawals, plan for healthcare contingencies, and ensure your legacy transfers smoothly and intentionally.

You've done everything right to build your wealth. Now it's time to use it wisely — with confidence.
Keystone Wealth Management. Clarity. Strategy. Peace of Mind.

My granddaughter loved her trial class at **KidStrong** and I signed her up before the end of class. I was skeptical about a membership, but **after my son's first class I was sure this was a great idea.** The kids have such a **sense of pride** figuring things out from the mental to the physical challenges, **the coaches are so involved,** and as a parent it was awesome **helping my kiddo overcome challenges.**
