Transform Your Old Cabinets Into a Thing of Beauty the Miracle Method Way

by Steve Cook

Refinish. Don't replace. For nearly two decades the folks at **Miracle Method Surface Refinishing of Richmond** have been touting the benefits of refinishing bathrooms and kitchens throughout Central Virginia. Their professional staff has been proving to satisfied homeowners that refinishing saves both time and money. Plus, the results of their superior process are absolutely beautiful.

But did you know that the same company that has beautifully transformed tubs, showers, and countertops can also refinish

your cabinets as well? "We've been refinishing cabinets for ten plus years," says Elizabeth Dowdy, co-owner of Miracle Method of Richmond. But in order to create more visibility, Miracle Method has just launched an exclusive cabinet website - **CabinetsByMiracleMethod.com**.

Now, you may be thinking that you know of a local painter who will come by and give your old cabinets a new paint job. However, rest assured, we are not talking about just splashing some new paint on your cabinets. "We strip, prep, repair, and apply multiple layers of professional-grade coating directly to your existing cabinets. The result is a smooth, factory-quality finish that can make cabinets that are decades old look completely brand new," says Elizabeth, who adds, >>>

“And for a more dramatic upgrade, doors and drawers can be replaced with a new, modern-style design...So many options!”

Miracle Method Surface Refinishing has been offering miraculous makeovers for nearly five decades, with the locally owned office here in Richmond for 17 years. With their cabinet makeover solutions you can transform your kitchen in just a few days. You’re not just saving time. You’re saving money, as well. Their expert process can save you up to 70% compared to what you’d spend to have a full cabinet replacement.

Their factory-grade finishes are designed for durability and their work is backed by their years of expertise. Typical DIY paint jobs will soon chip and fade. That’s not the case when Miracle Method refinishes your cabinets. They’ll look beautiful for many years to come.

Another huge advantage of having Miracle Method refinish your tubs, showers, countertops, and cabinets is that there’s no unsightly, inconvenient demolition. Your fixtures stay in place while Miracle Method’s expert team magically transforms your kitchen or bathroom into a new beautiful space. “Our technicians take pride in their work and it truly shows,” Elizabeth says.

Check out the beautiful before-and-after images on their new website. Or visit their showroom from 9 a.m. to 5 p.m. Monday through Friday (or by appointment) to see results first hand. They’re located at 2410 Granite Ridge Road in Rockville, just five minutes west of Short Pump.

Miracle Method is perfect for residential as well as commercial refinishing. “We’re a natural resource for Amtrak, Kings Dominion and local universities, including VCU, UR, Randolph-Macon, Hampden-Sydney and VSU plus hotels, such as Hyatt, Hilton, and Marriott,” Elizabeth says.

To learn more, visit online CabinetsByMiracleMethod.com. or phone 1-804-749-8990. Be sure to ask about their free estimates and design services.

YOU GROW YOUR BUSINESS

Beat the Heat. Come On In and Have Some Fun

by Steve Cook

Have you had enough of this long hot summer? Don't throw in the towel. There's still lots of indoor fun to be had. Here are our suggestions for ways to beat both the heat and the humidity.

Get Cookin'

They say if you can't stand the heat get into the kitchen. Okay, they don't really say that but it's not a bad idea. The kitchen to which we refer is **The Kitchen Classroom** (TheKitchenClassroom.com) in Richmond's West End. These folks offer interactive cooking classes that include knife skills classes, date night cooking classes, cocktail classes, and classes that will help you create culinary classics from around the world.

Discover Your Artistic Side

Did you ever think that with a little help, you could be the next Michelangelo or Warhol, or even Hunter Biden? Well, nothing can get those creative juices flowing any better than a sweltering, hot summer day. Even if you don't buy my line of reasoning, why not explore your creative side at the **Cultural Arts Center** in Glen Allen.

In addition to four free art galleries, which may help to stimulate your creativity, The Center offers a wide variety of art classes. True, many of the classes started in July but there are still a number of classes scheduled for August and beyond. Carving, jewelry design, dance – these are just a few of the areas you might be interested in exploring. Visit online (ArtsGlenAllen.com) or phone 804-261-ARTS (2787) to learn more.

Play a Round of Golf

Wouldn't it be wonderful if there were a place where you could play golf without having to endure the summer's heat as you trudge an 18-hole course during a typical Richmond-area summer's day? Well, there is such a place. It's **Drive Shack** (Drive-Shack.com). Enjoy playing in one of their all-weather bays, where the climate is always just right. But what makes this even better are Drive Shack's friendly Bay Caddies who'll deliver refreshing beverages (adult included) along with tasty food right to your bay.

Drive Shack is not just a driving range. With their TRACKMAN™ technology, they combine classic games, like blackjack, with golf to create the latest and greatest gaming experience. Want to hit the links instead? Play one of their virtual golf courses as if you were on the course. No sunscreen needed.

Go To The Park

Now, keep in mind, I'm not saying go to the park. Certainly, the area offers a number of great public parks, all of which are outdoors. So, go to **The Park**. This Park (ThePark.com) offers all sorts of indoor fun, such as duckpin bowling, miniature golf, virtual golf, pool tables, and arcade games. Their menu features wings, pizza, sandwiches, and desserts. There's a kid's menu, too. You

can enjoy your favorite adult beverages at the bar. They also have some really cool spaces if you want to host a private party. Truly, a day at The Park is like a day at the park.

Garlic Honey Pork Chops

This combination of sweet and savory glaze is pure deliciousness for your tastebuds. With or without the sauce, the chops are packed with flavor and oh so juicy! Go ahead and test your culinary skill, you will be pleasantly surprised.

INGREDIENTS:

- 4 thick cut bone-in pork chops, 1.5" to 2" thick
- ½ cup ketchup
- 3 tbsp honey
- 2 tbsp low sodium soy sauce
- 2 cloves garlic, minced
- 2 tbsp olive oil
- ½ stick butter

DIRECTIONS:

Sear chops in an iron skillet on medium to high heat with butter and olive oil for 5 minutes on each side. Do not move chop until ready to flip. Place the entire skillet in a preheated 375-degree oven for 15 to 20 minutes until the internal temperature reaches 145 degrees. Place chops on a plate and rest for 5 minutes before slicing. While chops are in the oven, mix ketchup, honey, soy sauce and garlic in a saucepan and bring to a low boil. Remove from heat and set aside to serve alongside chops.
