Transform Your Old Cabinets Into a Thing of Beauty the Miracle Method Way

by Steve Cook

Refinish. Don't replace. For nearly two decades the folks at **Miracle Method Surface Refinishing of Richmond** have been touting the benefits of refinishing bathrooms and kitchens throughout Central Virginia. Their professional staff has been proving to satisfied homeowners that refinishing saves both time and money. Plus, the results of their superior process are absolutely beautiful.

But did you know that the same company that has beautifully transformed tubs, showers, and countertops can also refinish

your cabinets as well? "We've been refinishing cabinets for ten plus years," says Elizabeth Dowdy, co-owner of Miracle Method of Richmond. But in order to create more visibility, Miracle Method has just launched an exclusive cabinet website - **CabinetsByMiracleMethod.com**.

Now, you may be thinking that you know of a local painter who will come by and give your old cabinets a new paint job. However, rest assured, we are not talking about just splashing some new paint on your cabinets. "We strip, prep, repair, and apply multiple layers of professional-grade coating directly to your existing cabinets. The result is a smooth, factory-quality finish that can make cabinets that are decades old look completely brand new," says Elizabeth, who adds, >>>

“And for a more dramatic upgrade, doors and drawers can be replaced with a new, modern-style design...So many options!”

Miracle Method Surface Refinishing has been offering miraculous makeovers for nearly five decades, with the locally owned office here in Richmond for 17 years. With their cabinet makeover solutions you can transform your kitchen in just a few days. You're not just saving time. You're saving money, as well. Their expert process can save you up to 70% compared to what you'd spend to have a full cabinet replacement.

Their factory-grade finishes are designed for durability and their work is backed by their years of expertise. Typical DIY paint jobs will soon chip and fade. That's not the case when Miracle Method refinishes your cabinets. They'll look beautiful for many years to come.

Another huge advantage of having Miracle Method refinish your tubs, showers, countertops, and cabinets is that there's no unsightly, inconvenient demolition. Your fixtures stay in place while Miracle Method's expert team magically transforms your kitchen or bathroom into a new beautiful space. “Our technicians take pride in their work and it truly shows,” Elizabeth says.

Check out the beautiful before-and-after images on their new website. Or visit their showroom from 9 a.m. to 5 p.m. Monday through Friday (or by appointment) to see results first hand. They're located at 2410 Granite Ridge Road in Rockville, just five minutes west of Short Pump.

Miracle Method is perfect for residential as well as commercial refinishing. “We're a natural resource for Amtrak, Kings Dominion and local universities, including VCU, UR, Randolph-Macon, Hampden-Sydney and VSU plus hotels, such as Hyatt, Hilton, and Marriott,” Elizabeth says.

To learn more, visit online CabinetsByMiracleMethod.com. or phone 1-804-749-8990. Be sure to ask about their free estimates and design services.

Let's Go! Deltaville - Middle Peninsula Area

by Taylor Armstrong

Is there more to do in Deltaville than just fishing? You bet there is! While the fishing is exceptional on the Chesapeake Bay, land lovers can find plenty of fun and educational activities.

An excellent source of history and boat-building traditions can be found at the **Deltaville Maritime Museum and Holly Point Nature Park** (287 Jackson Creek Road). This 36-acre scenic waterfront location on the shores of Mill Creek is home to a variety of activities including interactive exhibits, a nature park, and a family friendly wooden boat building experience. The park offers walking trails, a pier, free creek cruise, kayak launch, and children's garden. The museum has an impressive display of boat replicas and plenty of information on the history of the Chesapeake Bay. Do you know how the Bay was initially formed? Visit the museum to discover the 35-million-year-old event. The pavilion, which is rentable for social events and even weddings, is surrounded by the beautifully landscaped waterfront and available year-round. www.deltavillemuseum.com.

Don't miss the opportunity to take a cruise on "Jenny May," available 9am-1pm, the fourth Saturday of the month, May-September. The park's tranquil backdrop is also home to the **Holly Point Farmers Market**, also on the fourth Saturday of the month, May-September, and boasts local veggies, fruits, honey, artisan cheeses, baked goods and many homemade items.

Seafood is always in abundance at **J&W Seafood Market** (16552 General Puller Hwy), a family tradition for more than 30 years that offers a wonderful assortment of fresh seafood, prepared foods, and a selection of fine wines, craft beers and gourmet items. Bring your cooler along for the trip because you will find plenty of goodies to take home. If you are planning on fishing or crabbing while in the area, they have you covered with a large selection of supplies and bait. www.jandwseafood.com.

Head to the **Deltaville Ballpark** (100 Ball Park Road) to see Virginia's oldest all wooden baseball stadium. Built in 1948, this nostalgic find hosts the semi-pro Deltaville Deltas. Concerts, festivals, community events, and weddings also take advantage of this historic site. Major renovations over the years have helped to preserve the small town feel of crab pot fencing and the beautifully landscaped grounds add to your baseball experience.

Meet us on the main! **Gloucester's Main Street**, that is. Enjoy the history and charm this 300-year-old town has to offer with boutiques, jewelry, art, and food and wine enthusiasts. You will certainly be able to shop to your heart's desire while making the beautiful stroll down Main Street. www.gloucestermainstreet.com.
