A Sad Farewell to an Old Powhatan Friend

by Kim Amboy

It doesn't matter how old or young you are. It matters not whether you play with an opponent or just against yourself. It may be one of the most frustrating tests of patience you'll ever experience, but also one of the most rewarding. And there's a real possibility it might become a lifestyle, even an obsession. For the sake of landing a small ball into a 4-inch hole, players keep coming back for more, because there's nothing like it...yes, golf is a game for everyone.

To all our Powhatan neighbors who love the game, we bear sad news and pay tribute to a long-time Powhatan landmark—one that has brought jobs, opportunity, and joy to the community. After 52 years, Mill Quarter Plantation Golf Course will close at the end of October. Following the 2025 deaths of owner David (Dave) Daniels and general manager David P. Daniels, the family announced that the property is now under contract with a local developer, and, as of this writing, has not been identified. The property's future is currently unknown

ing like it...yes, golf is a game for everyone.

and will be determined by its new owner.

A little history: The course was originally designed by Edmund Ault on 1,460 acres of the historic Randolph Plantation, and has been described as lovely and quaint, situated amidst rolling hills and

woodlands. Dave (who golfed for Ohio State and was a teammate of Jack Nicklaus) along with his business partner Pat Car-ey, purchased the course in 1973 and opened in fall 1974 during the national gas shortage.

Operated by four generations of the Daniels family, Mill Quarter remained a close-knit family endeavor. For Dave, creating a warm, welcoming atmosphere across the 307-acre course was always a top priority. A few of today's "oldsters" fondly remember working at the course in their youth and appreciated how the Daniels treated them like family. They enjoyed working with Dave and recall it as a fun and friendly place. To them, Mill Quarter will always be "my home course."

Saying goodbye to a longtime friend is never easy, especially one woven into so many fond recollections. But if the opportunity arises, take some time to visit the course and play a round. Golf enthusiasts in Powhatan and around the Richmond area would like to say, "Well done, Mill Quarter, and thank you for all the amazing memories!"

Financial Planning/Tax Management/Asset Management

Financial planning and investment advisory services offered through Prosperity Capital Advisors.

You've Done Everything Right. Now What?

You worked hard. You saved consistently. You avoided over spending.
You built a net worth most people only hope to achieve.

Now you're asking different questions.

How do we avoid overpaying taxes from the accounts we've built?
How much can we confidently spend while we're healthy and active?
What happens to this money when we're gone?
And what if one of us gets sick or hurt?

Many successful professionals — engineers, software developers, and corporate leaders — come to us after realizing their previous advisor focused primarily on investments, not on coordinated retirement planning. They don't want more performance reports. They want clarity.

At Keystone Wealth Management, we specialize in turning years of disciplined saving into a tax-efficient income strategy. We help you design sustainable withdrawals, plan for healthcare contingencies, and ensure your legacy transfers smoothly and intentionally.

You've done everything right to build your wealth. Now it's time to use it wisely — with confidence.
Keystone Wealth Management. Clarity. Strategy. Peace of Mind.

Garlic Honey Pork Chops

This combination of sweet and savory glaze is pure deliciousness for your tastebuds. With or without the sauce, the chops are packed with flavor and oh so juicy! Go ahead and test your culinary skill, you will be pleasantly surprised.

INGREDIENTS:

- 4 thick cut bone-in pork chops, 1.5" to 2" thick
- ½ cup ketchup
- 3 tbsp honey
- 2 tbsp low sodium soy sauce
- 2 cloves garlic, minced
- 2 tbsp olive oil
- ½ stick butter

DIRECTIONS:

Sear chops in an iron skillet on medium to high heat with butter and olive oil for 5 minutes on each side. Do not move chop until ready to flip. Place the entire skillet in a preheated 375-degree oven for 15 to 20 minutes until the internal temperature reaches 145 degrees. Place chops on a plate and rest for 5 minutes before slicing. While chops are in the oven, mix ketchup, honey, soy sauce and garlic in a saucepan and bring to a low boil. Remove from heat and set aside to serve alongside chops.
