Transform Your Old Cabinets Into a Thing of Beauty the Miracle Method Way

by Steve Cook

Refinish. Don't replace. For nearly two decades the folks at **Miracle Method Surface Refinishing of Richmond** have been touting the benefits of refinishing bathrooms and kitchens throughout Central Virginia. Their professional staff has been proving to satisfied homeowners that refinishing saves both time and money. Plus, the results of their superior process are absolutely beautiful.

But did you know that the same company that has beautifully transformed tubs, showers, and countertops can also refinish

your cabinets as well? "We've been refinishing cabinets for ten plus years," says Elizabeth Dowdy, co-owner of Miracle Method of Richmond. But in order to create more visibility, Miracle Method has just launched an exclusive cabinet website - **CabinetsByMiracleMethod.com**.

Now, you may be thinking that you know of a local painter who will come by and give your old cabinets a new paint job. However, rest assured, we are not talking about just splashing some new paint on your cabinets. "We strip, prep, repair, and apply multiple layers of professional-grade coating directly to your existing cabinets. The result is a smooth, factory-quality finish that can make cabinets that are decades old look completely brand new," says Elizabeth, who adds, >>>

“And for a more dramatic upgrade, doors and drawers can be replaced with a new, modern-style design...So many options!”

Miracle Method Surface Refinishing has been offering miraculous makeovers for nearly five decades, with the locally owned office here in Richmond for 17 years. With their cabinet makeover solutions you can transform your kitchen in just a few days. You’re not just saving time. You’re saving money, as well. Their expert process can save you up to 70% compared to what you’d spend to have a full cabinet replacement.

Their factory-grade finishes are designed for durability and their work is backed by their years of expertise. Typical DIY paint jobs will soon chip and fade. That’s not the case when Miracle Method refinishes your cabinets. They’ll look beautiful for many years to come.

Another huge advantage of having Miracle Method refinish your tubs, showers, countertops, and cabinets is that there’s no unsightly, inconvenient demolition. Your fixtures stay in place while Miracle Method’s expert team magically transforms your kitchen or bathroom into a new beautiful space. “Our technicians take pride in their work and it truly shows,” Elizabeth says.

Check out the beautiful before-and-after images on their new website. Or visit their showroom from 9 a.m. to 5 p.m. Monday through Friday (or by appointment) to see results first hand. They’re located at 2410 Granite Ridge Road in Rockville, just five minutes west of Short Pump.

Miracle Method is perfect for residential as well as commercial refinishing. “We’re a natural resource for Amtrak, Kings Dominion and local universities, including VCU, UR, Randolph-Macon, Hampden-Sydney and VSU plus hotels, such as Hyatt, Hilton, and Marriott,” Elizabeth says.

To learn more, visit online CabinetsByMiracleMethod.com. or phone 1-804-749-8990. Be sure to ask about their free estimates and design services.

ICE ICE BABY!

by Cynthia Leigh

If you are one of many who enjoy winter temperatures and snow, ice skating may be just your forte. Ice skating in Virginia can be traced back to the 1700s where outdoor enthusiasts enjoyed the fresh open air and the magic of an evening sky. As the love of ice skating grew in popularity, indoor arenas became more desirable, thus prompting the introduction of indoor rinks. No matter what the temperature outside, you can still skate on ice and find a few pop-up outdoor areas during the holiday winter months.

However, for those who want the adrenaline of year-round skating, our local indoor rinks provide access to figure skating, hockey and recreational gliding all year long.

Our first indoor facility is **RICHMOND ICE ZONE** (formerly known as Richmond Ice Forum), located at **636 Johnston Willis Dr., North Chesterfield**. It has been operating for over three decades and offers public skating sessions, figure skating classes, speed skating, and youth or adult ice hockey leagues or clinics. The arena features two regulation-size ice surfaces to accommodate simultaneous practices, lessons, and public sessions.

Their sister rink, **SKATENATION PLUS**, located at **4350 Pouncey Tract Rd., Glen Allen**, offers public skating sessions, figure skating, ice hockey leagues and clinics, skating lessons and group rentals. Visitors can also enjoy a rock-climbing wall. Their full-service pro shop and cafe are sure to please. Whether you are a beginner, a lifelong skater or somewhere in between, you will have a great time.

To help burn more winter energy, head over to our most recent rink, **RICHMOND ICE BOX**, located at **13100 Tredegar Lake Pkwy., Midlothian**. The facility brings a new era of ice sports through community events, recreation and a full range of competitive fun. They have a regulation-size ice rink suitable for hockey, figure skating, public skating, and fun experiences for skaters and players of all ages and skill levels, from

beginners to elite competitors. Skate rentals are available for youths and adults. For your next party or group event, consider their multipurpose/event room.

Whether you want to learn, compete, or just do some recreational ice skating, there are plenty of indoor local facilities offering a convenient environment for winter sports without the harsh outdoor weather. So, fuel your desire to glide across the ice with a cool breeze all year long by visiting one of our local rinks.
